Work Started Prior To Permits

For work started prior to issuance of the Building Permit, the fee shall be charged at a rate of 2 times the usual permit fee. These additional fees are for Code Enforcement Investigation, administrative procedures and follow up costs. In cases where special inspections are required, an additional special inspection fee shall be charged for each visit to the site prior to any building permit review.

Cancellations and Refunds

None granted 6 months from date of issuance. Upon written request, prior to commencement of any work, permits may be cancelled by the holder. Refund all fees except; application fee, 25% of permit fee plus \$75 per inspection plus plan review fees. In those cases where work has commenced, there will be no refunds.
