Operation Medicine Cabinet

Launches in West Bloomfield on April 23, 2010

The West Bloomfield Police Department has partnered with numerous police departments around Oakland County, including the Oakland County Sheriff's Department, in launching "Operation Medicine Cabinet". This program is a prescription drug "take back" program. As law enforcement agents, we are in a unique position to be able to assist individuals who wish to discard unused or expired prescription medications in an environmentally safe manner, while at the same time helping to eliminate access to these medications by teens and other unauthorized users.

Our department looks forward to accepting unused prescription drugs beginning April 23, 2010 from 8:00 am until 4:00 pm Monday through Friday.

Please visit www.operationmedicinecabinetmi.com for more information.
